Review SQS Application Steps

STANDARD SQS APPLICATION PROCESS

Standard SQS Steps

- Step 1 Log onto Gunpowder Mining Supplier Qualification web site.
- Step 2 Read and agree to SQS Qualification Rules and Conditions of Use.
- Step 3 Choose Goods OR Services category groupings you wish to provide to Gunpowder Mining.
- Step 4 Read, review and comply with Gunpowder Mining Terms and Conditions applicable to your nominated goods or services category.
- Step 5 Read SQS Information Required section.
- Step 6 Read and complete the SQS General category questions.
- Step 7 - Complete the SQS category questions contained in the downloaded Part 1 word document template
- Step 7 - Select the scope of work (Goods or Services) you wish to supply to the Part 2 Purchasers in the specified drop down menus.
- Step 8 Upload to the SQS data base the completed SQS category questions contained in the word document template.
- Step 9 Review the covering letter and declaration.
- Step 10 Confirm your application submission with Gunpowder Mining which forms your entire submission to the Purchaser and logout of the SQS.

SQS Overview and Questionnaire download

SQS Overview

Applicants completing and going through the SQS process must complete all the necessary fields. There is also a requirement in Step 8 of this process to upload your application data which will be used to assess your application.

Please use the following [word document template](#) to provide accompanying information as part of this application. This may be completed offline and you may log onto the SQS with your current user name and password once you have reviewed and completed in full this word template.

Gunpowder Mining reserves the right to accept, reject any/all or no applicants submission to be an Approved Supplier at their sole discretion.

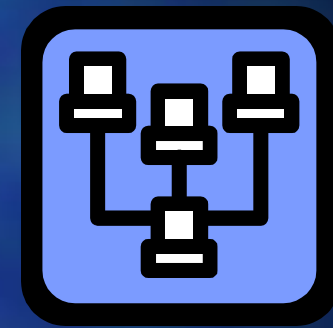

Should an applicant meet our evaluation criteria to contract with Gunpowder Mining you may be entitled to receive the following benefits as an SQS Approved Supplier:

- Notification of suitable Request For Information (RFI), Invitation to Tender (ITT) and Request For Quotation (RFQ) packages available within your goods or services category as and when they become available.
- Consideration for a non exclusive preferred supplier agreement with Gunpowder Mining to provide Goods or Services which falls into your category.
- Regular updates on news, events and initiatives which are applicable to your business activities.
- Restricted access to the SQS website to review your companies details and status with Gunpowder Mining.

Applicant can download the SQS questionnaire

The screenshot shows a web form titled 'Applicant's Information Template' with a GPM logo at the top. It includes a 'General' section with a table for company details and a 'Question 1.0 Applicants Company History' section with a text input field. A note at the bottom states: 'NOTE: THE FULL VERSION OF THIS QUESTIONNAIRE TEMPLATE IS ONLY AVAILABLE TO LICENCED USERS OF THE LOGCON SQS.'

SQS Qualification Rules and Conditions of Use

1. Applicant: Abiding by Gunpowder Mining Pty Ltd SQS Qualification Rules and Conditions of Use

All Applicants agree to abide by the Gunpowder Mining Pty Ltd SQS Rules and Conditions of Use contained in this web site.

All Applicants must complete and qualify via the online qualification process prior to them being deemed eligible to receive an inquiry for the provision of goods or services and/or continue with providing Gunpowder Mining Pty Ltd with the ongoing supply of Goods or Services. [Refer the strict criteria for an exemption.](#)

By registering your application for Approved Supplier Status, you hereby accept in full the Gunpowder Mining Pty Ltd SQS Qualification Rules and Conditions of Use.

Gunpowder Mining Pty Ltd reserves the right to accept/reject any, all or no application from an applicant to register their interest in becoming an Approved Supplier.

2. Definitions

"SQS" means Supplier Qualification System.

"Gunpowder Mining" means Gunpowder Mining Pty Ltd ABN 00 000 000 000. A fictitious company for the benefit of demonstrating to Purchasers this SQS system.

"Approved Supplier Status" and "Approved Supplier" means a company suitably qualified in Australia or Overseas, who is authorised to contract and provide Goods or Services to Gunpowder Mining, who's capacity has been reviewed, evaluated and rated by Gunpowder Mining Procurement Group and who has received formal advice from authorised Gunpowder Mining Management that their company has achieved Approved Supplier Status.

"Gunpowder Mining Procurement Group" means qualified staff/contractors assigned by Gunpowder Mining to assess each application submission.

"Internet" means an interconnected system of networks that connects computers around the world via the TCP/IP protocol.

"Online" means forms, web pages, links and associated terminology used by the applicant via the internet (SQS web site) to register their interest in becoming an Approved Supplier.

"Applicant(s)" means a company who has not previously obtained "Approved Supplier Status" but is interested in making application to Gunpowder Mining to achieve Approved Supplier Status through registering their interest in Gunpowder Mining Online SQS process.

"Application", "Application submission" and "Submission" means the information submitted by the Applicant in response to Gunpowder Mining Qualification process – Information Required of Step 5 of the Standard SQS Application Process.

"Day" means business day excluding weekends and Queensland Government recognised holidays.

The screenshot shows the 'Applicant's Information Template' form. It includes a header with the GPM logo and the text 'This SQS is a proprietary system of the Ltd'. Below the header, there is a section for 'Applicant's Information Template' with instructions: 'All answers to the questions must be submitted online to allow your application to be processed by the SQS system otherwise your application will be returned to you in error. If some of the questions are not applicable to your organisation please state NOT APPLICABLE or state however appropriate for below. Applicants are required to provide to Gun Powder Mining true and accurate information in their submission. Providing or inaccurate information entered by the applicant will be grounds for Gun Powder Mining to decline your application and/or remove your approved status as a supplier to provide Goods or Services. To complete this form, use the Tabkey to move from one data entry field to the next or use your mouse to navigate. Just delete or type over the grey highlighted instruction (except answer field)'. There is a 'General' section with a table for 'Insert Company Details' with columns for 'Name of Company or Sole Trader', 'Insert Company Name', 'Representative Name', and 'Insert Representative Name'. Below this is 'Question 1.8 Applicants Company History' with a text area and a checkbox. A note states: 'NOTE: THE FULL VERSION OF THIS QUESTIONNAIRE TEMPLATE IS ONLY AVAILABLE TO LICENCED USERS OF THE LOGCON SQS.' The form ends with 'Thank you for completing the SQS Application form.'

Review Covering Letter and Declaration

Company Name: x
ABN: 12345678901
Address: x
Representative: x
Date: November 25, 2005, 7:17 pm

SUBJECT: APPLICATION SUBMISSION FROM x TO ACHIEVE SUPPLIER QUALIFICATION WITH GUNPOWDER MINING

Dear Sir/Madam,

Please accept this online application as my request as an authorised officer of x 12345678901 to be considered by Gunpowder Mining as an Approved Supplier to provide Gunpowder Mining with the following goods and/or services:

Casing Head Flanges , 11" & 13" Well Head Spools
Casing Accessories
Casing Cementing
Casing Liner
Casing Slotting

We understand the terms and conditions, rules and other requirements detailed in this SQS will remain in force until our company ceases to be an Approved Supplier for whatever reason.

We understand that Gunpowder Mining reserves the right to accept/reject any, all or no application submission from an applicant to register their interest in becoming a Gunpowder Mining Approved Supplier.

We also understand that Gunpowder Mining decision is final and no correspondence shall be entered into. Gunpowder Mining reserves the right to modify the SQS process and the selection criteria at their sole discretion.

Declaration

I declare that I am an authorised officer appointed by x management to represent the company in it's application submission to achieve Approved Supplier status.

The information I have provided to Gunpowder Mining in this application submission is to the best of my knowledge true and accurate as at the date of the application.

I confirm that I am aware that false or misleading information provided in my application will be grounds for the application being rejected outright and all instance of this occurring will be referred to Gunpowder Mining management who will decide what appropriate action is necessary both within Gunpowder Mining and externally.

Yours faithfully

x
